

## LUOLA (CAVE)

Ilari is a 14-year-old boy, whose father drank himself to death. Ilari hasn't gotten over his father. Ilari's mother runs a local shop with her new husband and they are trying to bond by working together, but Ilari won't accept his new father. One day his mother finds out that there is money lacking from the till. The culprit must be found. And so one has to sacrifice himself so that the others may be redeemed.
